

# About Dr Fei Yao

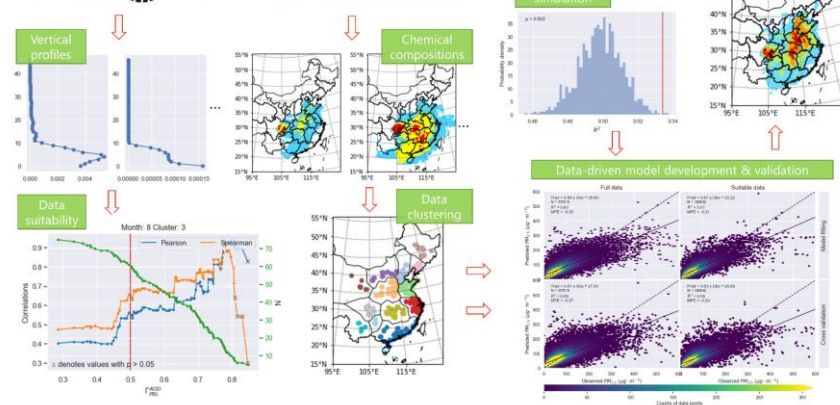

Chinese | Postdoc & PhD at U. Edinburgh | PKU & ECNU alum | study air quality, clean energy & greenhouse gases | love cycling & climbing

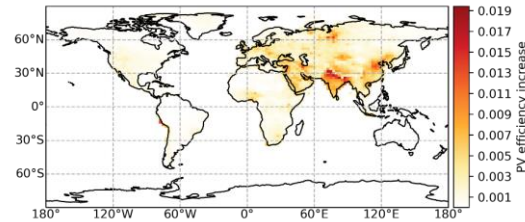

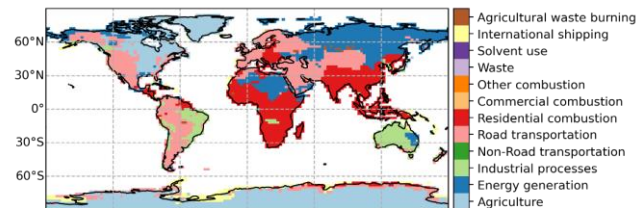

Dr Fei Yao (2022-)

Current interests: Satellite remote sensing data of air quality (PM<sub>2.5</sub>) and greenhouse gases (methane); global atmospheric chemistry and climate change and the associated impacts on energy systems.

## GEOS-Chem

Yao and Palmer, 2021, Atmos. Environ.

Yao and Palmer, 2022, Environ. Sci. Technol. In review.
